# KINSMEN NEWS

## ST. ALBERT KINSMEN ACTIVE

If anyone in the Community is in doubt about Kinsmen being an active, hard working club, it follows that they have not as yet been called upon by one of its members.

At the present time, 30 St. Albert Kinsmen are methodically attempting to call on each home owner in the area.

The reason, Mail Boxes!

The Club, in an effort to raise money for a community project and at the same time assure postal authorities that the citizens of St. Albert will meet the 80% proviso, is offering for sale a wide selection of top line mail boxes in an attractive price range. The response to this venture has been tremendous and the campaign will continue until all residents have been contacted.

To date, three community projects have been considered and one, involving the recreational field has been approved in principle. Results of the current fund raising drive will dictate a commencement date.

Besides working, much Kinship is enjoyed at the General Meetings held on alternate Mondays during the month at the Club Mocombo. At the last meeting, a new member program was conducted by guest speakers: Art Jones, Governor of District 4 and Jim Baker, District Kin Information Officer. Also present at this meeting was the Deputy District Governor, Nort Metcalfe of Barrhead; World Council Chairman, Bill Hodgson of Edmonton and Hugh Hollingsworth, President of the Kinsmen Club of Sydney, B.C.

Guests at the meeting were Gene Bergh, Field Representative of the Credit Union League of Alberta; V. T. Fowler, Senior Examiner of Credit Union for the Province of Alberta; Doug Broderick, representative Cuna Mutual Insurance Society.

## LOCAL K.C.'S DON SKATES

Last Sunday night the Mission Park rink saw a dozen or so of the local Knights of Columbus don pads and skates in a hockey practice session. They have challenged an Edmonton K.C. Council to a game

Councils:

Fowler, local pharmacist Joe Melashko,

the Montpetit's, the Bourgeois' and Willy Flynn, all well known residents, will be the star performers in this not to be missed game. Still trying to prove that 10 years don't make a difference, they may even win "honor" for St. Albert, providing stretcher bearers are on hand and local drug stores are well stocked with liniment.

## PARKS and RECREATION DEPARTMENT

### POLICIES GOVERNING ASSISTANCE TO COMMUNITY RECREATION ORGANIZATIONS

Community Recreation organizations would include any group or club that is actively engaged in sporting, educational, cultural or social activities within the St. Albert Township, whose doors are open to all citizens, and whose membership fees are fair and reasonable. Organizations that are in this category may receive financial assistance and conditions under which they may receive grants.

1. Assistance to organizations, may be considered and recommended provided that:
  - (a) application is made to the Parks & Recreation Department, and,
  - (b) approval for a grant may be given by Council on the recommendation of the Recreation Board and the Recreation Director.
2. In every instance where application is made for assistance in the form of cash grants or organizational help, the applicant must present completed copy of "Application for Grant" form.
3. Assistance to organizations providing activity at the community level.
  - (a) Equipment and supplies may be purchased by the Parks & Recreation Department (which will retain ownership) and loaned to an organization upon completion of a satisfactory lease agreement (deposit).
  - (b) Organizational and leadership assistance, in accordance with the purposes and objectives of the Department, can be given to all community recreation organizations upon request.
4. Recommendation for assistance for groups representing St. Albert in higher competition may be made on a suggestion of the Recreation Director and endorsed by the Recreation Board and approved by Council.
5. The Parks & Recreation Department reserves the right to investigate any expenditures made from the public funds, if it is deemed necessary.
6. That all applications for grants for the year 1965 shall be received not later than February 28, 1965.

## FLAG STAMP

Canada's new flag will be honoured on a special commemorative postage stamp to be issued on June 30th, 1965. This announcement was made today by the Hon. John R. Nicholson, Postmaster General of Canada. The date of issue was chosen to coincide with July 1st, our national holiday. The design will feature the new flag, flying from a flag pole, against a sky of blue. The word "Canada" and the denomination "5" will appear in middle left position. The words "postes" and "postage" will be included at bottom left. The two colors of blue and red will be

printed in intaglio, using hand engraved steel dies. The design was developed by the Canadian Bank Note Co. at the request of the Post Office Department. The inclusion of a flag stamp has necessitated a rearranging of the previously announced philatelic programme. The stamp to honour the centennial of the choice of Ottawa as the national capital has been moved from June 30th to September 6th, where it will share a date of issue with the stamp to commemorate the Inter-Parliamentary Union Conference. The updated stamp programme now reads as follows:

Feb. 3 New Brunswick, Nova Scotia  
Mar. 3 International Co-operation Year  
Spring Space Research  
Apr. 28 B.C. and Manitoba florals

"How would  
Mary and the  
kids get by  
without me?"

Sooner or later, most fathers ask themselves this troubling question. Practically all of them find the best answer lies in life insurance. It's the one means by which a man of even modest income can give his family basic financial protection immediately.

## PARTY LINE

In response to my request for the "mystery recipe", Mrs. Milly Padlowski gives us this delightful recipe for Strawberry Tarts.

### Pantry

1 cup white sugar  
1 cup butter  
2 eggs, beaten  
2 cups all purpose flour  
2 tsp. baking powder

Cream butter and sugar well, add eggs, flour, baking powder. Form into balls and press into greased tart tins, shaping dough up sides of tin. Fill with 1 Tbsp. of the following filling:

1 cup strawberry jam  
1 cup chopped walnuts.

Bake at 400 for 10-12 minutes. When cool, top with whipped cream and serve. (I tried this recipe and it's truly delightful and delicious. In small tartlet tins, it's a delightful tea dainty, and made in standard muffin tins, it's an excellent quick and easy family dessert.)

## ANGLICAN CHURCH

Confirmation classes for young people and adults have continued steadily through the winter months. The confirmation service, originally planned for Holy Week, now has been changed to 11 a.m. on March 21st. This will give the bishop the opportunity to meet the regular congregation and speak with them at this formative stage of the parish's growth. The sermon this Sunday, in keeping with the theme of the New Testament lesson, is on marriage. New factors are affecting marriage in this 20th century. Some good, some bad. What does this mean to us and our families?

Each Sunday, two services are held - the Holy Communion at 9 a.m. and Morning Prayer at 11 a.m. Parishioners are encouraged to receive the sacrament week by week. When families find it necessary for one parent to remain home with the children, one can easily attend at 9 a.m. and be home in time for the other parent and the children to attend at the later service. Young people are especially welcome at the early service with its opportunities for quiet prayer and communion with God.

Choir practices are now held at 7 p.m. on Friday night. The choir meets at 29 Grosvenor Blvd. and extends an invitation to the young people of the parish to join them.

## UNITED CHURCH

On Sunday, January 31, the preacher at the 11 a.m. service was the Rev. Prof. G. L. Vagan, B.A., B.D., M.A., D.P.C., of St. Stephen's College in Edmonton. He was assisted by Mr. Hal Sambell, candidate for the ministry from St. Albert. Mr. Gerald Crowdis was at the organ. During the service the following were formally received into the congregation by Letter of Transfer: Mr. & Mrs. J. Kuiper, Mr. & Mrs. A. Cunningham and Mr. & Mrs. B. McGuire.

A Congregational Meeting was held at 2 p.m. in the Church. Reports were received from all organizations, boards and committees of the congregation. Significant progress was noted in all reports. A budget of \$23,513.00 for 1965 was approved. The meeting was chaired by Rev. Dr. C. D. Powell, Superintendent of Missions for Northern Alberta, in the absence of the local minister, Rev. Mr. Ed. Schwarz who is still recovering from a back injury.

Events of the coming week:

Sunday, Feb. 7 Church School (gr. 3 and up) 9:30 a.m. Nursery (ages 1-2), Tiny Tots (3 yrs), Church School (age 4- gr. 2), Morning Worship, 11 a.m. The Service will be conducted by Dr. Schwarz and Mr. Sambell. Communion will be

served. Mr. Crowdis will be at the organ. Evening Service at 7:30 p.m. This will be the fourth in a series on the Creed. The sermon will take the form of a dialogue between the minister and an interested layman. This will be unrehearsed save that the layman will have read the minister's notes and marked the places at which he desires to raise issue or make comment. A congregational hymn sing will be held. Mrs. E.G. Hole will be at the organ. The Hi-C will be travelling to Edmonton to share in a skating party. Call 599-7834.

Monday, Feb. 8 A U.I.W. Executive Meeting will be held at 8:15 p.m. in the Lower Hall of the Church. For information call 599-6559.

Tuesday, Feb. 9 Explorers after school in the church. Call 599-6781. Adult Bible Study 8:30 p.m. in the Annex. Call 599-6933, 7305 or 6261.

A School of Religion will be held at St. Stephen's College on Tuesday & Wednesday. Registration is \$7. While this is primarily designed for the clergy, others who feel they are interested may register. Dr. MacAfee Brown, an observer at the Vatican Council, will speak on present trends in Roman Catholicism, and Dr. Hatfield, a Christian medical doctor from Calgary, will give a presentation on the Christian interpretation of sex.

Thursday, Feb. 11 Choir 8:15 p.m.

Friday, Feb. 12 Triple M (Mr., Miss, Mrs.) will meet at 8:15 p.m. in the Lower Hall of the Church. A Court Whist party is planned. For information call 599-6042, 6895 or 6234.

# ALBERTA OPEN DANCE TROPHY COMES TO ST. ALBERT

Gord and Alma Hughes of St. Albert, became first place winners of the International Ballroom Dance Trophy in Calgary on Saturday night. They danced, courtesy of Judy Kugler and Robert Savoie School of Dancing, Edmonton. In a dazzling display, dancing the Waltz, Quick-step and Tango, they won the acclamation of the large number of spectators and in the words of the adjudicators "reached almost professional standards". The adjudicators, members

of the International Dance Ring, were from Toronto. The Judy Kugler and Robert Savoie School were also credited with two more first place trophies. Max Lancel, aged 12, and Pamela Lancel, aged 10, of Edmonton, won the Junior Division International style, thrilling the large crowd with their performance, and Liz Jesko and Werner Hiller of Edmonton, with excellent style, won the American two dance trophy.

The whole evening was arranged through the Brink and Keindle Dance School, Calgary.

Mr. & Mrs. Hughes hope in the near future to open a Ballroom division of the Highways School of Dancing which has been in operation in St. Albert for about 9 months.

## MINOR HOCKEY LEAGUE

by B. Walsh, Director Minor Hockey

The St. Albert Safeway bantam team, coached by John Doran and Russ Kinsey, are in first place. They have won 4 straight league games.

John and Russ took their boys to Ritchie Rink to play a Bantam A team. We lost the game 4 to 1 but the outing was enjoyed by all.

**Miles** The game of the week, has to be the one played on Sunday at Mission Park rink. The high flying undefeated Dick's Plumbing team added one more to their string of victories. By downing Fort Saskatchewan 2 to 1. This is the first defeat for the Fort after 7 shutouts. (To quote their coach, "We are not ashamed to lose to a team like this") The first goal was scored by Tommy House, assist by Doug Belcourt. The second goal was by Clayton Hodge unassisted. A lot of credit must go to Don House, the goaltender. He played a bang up game. The coach, Jim Dowell, will be taking the boys to the Fort next Sunday, Feb. 7th. If you can help with transportation phone 599-7056.

The Legion played a hard hitting, but very clean game with Eastwood Community League at the Grosvenor rink. The boys did their best, but lost 3-0.

The St. Albert Fire Department team defeated Hercules 2-0 in a well played exhibition game Sunday night.

The weather was bad, but this didn't bother Michelle Bourgois. Michelle stopped at least 12 shots, and made a spectacular save on a penalty shot by Bob Baklin. The first marker was potted by Doug Kane, this got the team rolling and they never looked back. Greg McRae tied the knot by potting goal #2. Both teams played a nice clean game.

The next time your boy takes his stick and skates to the rink, why not go with him. He might just surprise you.

## LIONS NEWS

The Lions Club held their annual award night on Tuesday, February 2 at Club Mocombo. During this event, the top 3 grade 9 and 12 students in St. Albert were honored for their excellent scholastic achievement. This year's top students in grade 12 were: Josephine Wilson, Carol Senuk and Lila Peacock. The top grade 9 students were: Karl Schneider, Steven Williams and Gary Unterschultz. The main address during the evening was given by Mr. Hall who is a high school superintendent and also past district governor and international councillor in District #37B.

Plaques were presented to grade 12 students and medals to grade 9 students by Lion president Bert Swaine. These presentations were only a part of the work done by the Lions Club in the field of education in St. Albert. In the fall,

cheques were presented to the above students during "color night" at the two high schools. The total cost of the scholarships to the club was approximately \$180.00. Most of this amount was raised through our "Light Bulb Campaign". The support that we had received from the people in St. Albert during these campaigns has been very gratifying and it is our hope that future drives will be just as successful.

## SWIMMING POOL

Mr. Robert Russell,  
Chairman,  
Swimming Pool Committee.

Dear Mr. Russell:

I thank you for your letter which was presented to Council at a meeting held on January 25th, 1965.

Each year, the Town supplied Alberta Municipal Financing Corporation with a proposal for debenture borrowings, and I wish to advise you that an amount for a swimming pool has been included in this year's proposal. Council will also endeavour to include the construction of a swimming pool in the Town's 1965 budget, however, the question of the timing and preparation of a money by-law will depend upon the preparation of the Budget and its approval by the Local Authorities Board.

Council does not feel that it will be necessary to form a special Committee to deal with this matter as the construction of a pool would be carried out by the Town's technical advisers. Council would, however, be pleased to receive any assistance and information regarding swimming pools which your Committee may have available, and is most appreciative of the interest indicated by the members of your Swimming Pool Committee, in this project.

Yours very truly,

(signed)

W. J. Veness, Mayor.
